

## Grounds, vegetation, forestry, and disaster response — federally certified, nationally pursued.

An SBA-certified Woman-Owned Small Business prime, structured to meet FAR 52.219-14 Limitations on Subcontracting requirements. Mid-Atlantic delivery footprint with national pursuit and partner-network mobilization capability.

### CORE COMPETENCIES

- Set-Aside Prime Contracting
- Grounds Maintenance
- Vegetation Management
- Tree Removal & Forestry Support
- Debris Removal & Site Cleanup
- Disaster Response Activation

### DIFFERENTIATORS

- SBA-certified WOSB prime; SWaM & SLBE active
- Subcontractor network across six service lines
- FAR-compliant performance management & reporting
- Single point of contact for the contracting officer
- LoS-compliant teaming (FAR 52.219-14)
- Direct founder relationship — no call center

### TARGET AGENCIES & PURSUIT LANES

- USDA Forest Service — Tree release & grounds maintenance (Clinch Ranger District, VA)
- VDOT — Landscape maintenance and right-of-way vegetation management
- USACE — Recurring mowing, trimming, and site upkeep at Corps installations
- FEMA — Debris removal and disaster response via prime teaming partners
- Public Housing Authorities — Grounds and site services at HUD-funded properties
